Republican Club Meeting.

There was a good attendance at the
meeting of the Republican Club Mon-
day evening to hear the reports of the
committees appointed at the last meet-
ing. The committee on Constitution
and By Laws reported those recom-
mended by the State Committee and
the report was adopted with slight
amendments, as substituting the word
"voter" for "Republican" in the sec-
tion on membership.

Monday was adopted as the meeting
night.

Officers of temporary organization
were all adopted under the Constitu-
tion and the other office provided for
was filled by the election of J. W.
Crooks, Assistant Secretary.

The committee on permanent quar-
ters reported that they had consulted
with the County Executive Committee
with a view of occupying the same hall,
but as yet had been unable to find any
hall suitable and large enough. Com-
mittee was continued.

The committee on entertainment re-
ported that they would meet today at
159½ Front street to consult with any
who had suggestions to make in the
matter of glee club, life and drum corps
or anything else.

Under the head of miscellaneous busi-
ness, the question of uniforming the
Club was taken up and the motion to
uniform adopted, the selection of uni-
forms and the matter of a drilled uni-
form rank being left to the Executive
Committee.

An address was then made by
"Frenchy," who quoted largely from a
speech made by Major McKinley at
Rochester on the duties of citizenship
and the objects of political clubs. He
followed them with good advice to
young voters.

the Aid of the Wounded.

COLUMBIA, Pa., Aug. 10.—A frightful
trolley accident occurred at 10 o'clock
Sunday evening on the Columbia &
Donagel electric railway at a point one
mile outside of this city. A crowded
car was returning from Chickies Park
when a gear wheel broke and the car
was thrown over a 20-foot embankment
rolling into a creek. Five passengers
were killed outright and two score in-
jured, many of them very seriously.
Following is the list of fatalities, so
far as obtained:

SERIOUS TROUBLE

Between White and Black Laborers on the
K. C. P. & G. Railway.

TEXARKANA, Ark., Aug. 10.—The
race war in Polk county has broken
out in earnest, and as a result of the
first battle three Negroes are dead,
eight wounded and many have been
run out of the county by the whites.
Several Negroes have passed through
this place who were forced to leave the
county, and they bring news of a
pretty bad condition of affairs.

The trouble is between white and
black laborers employed on the grad-
ing works of the Kansas City, Pitts-
burgh & Gulf railway near Horatio,
Ark. The white laborers are deter-
mined that the Negroes shall not work
on the road and are being backed up
by citizens of the county, who have
armed themselves for the purpose of
running the Negroes out.

Thursday night a lot of whites, com-
posed of Italian, Swede and Hungarian
laborers, together with a number of
natives, made a raid on a camp occu-
pied by Negro laborers and three of
the latter were killed outright, several
others wounded and a number fled in
terror. The names of the killed are
not known. Several of the leaders of
the raid have been arrested.

SEVERE STORM

Follows the Intense Heat at Milwaukee—
Considerable Damage Wrought.

MILWAUKEE, Wis., Aug. 10.—A few
minutes after 11 o'clock Sunday night
a severe wind and hail storm swept
over the city almost without warning,
passing from west to east. In the
downtown district a number of plate-
glass windows were broken, awnings
were destroyed and heavy signs torn
from their fastenings, and scattered in
the streets. Although prostrations
were quite numerous no fatalities have,
as yet, been reported. The heat dur-
ing the past few days has been intense,
the mercury ranging from 80 to 95 de-
grees and in consequence the death rate
has been almost doubled.

Vessel Wrecked on the Rocks.

SAN FRANCISCO, Aug. 10.—The coast-
ing steamer St. Paul, owned by Good-
all, Perkins & Co., of San Francisco,
while en route from San Pedro to this
port, ran on the rocks near the en-
trance of Monterey bay Sunday morn-
ing and will prove a total loss. Her
passengers, about 50 in number, were
safely landed without incident and
will reach San Francisco by train Sun-

portion of the vessel's cargo will be
saved.

NASHVILLE, Tenn., Aug. 10.—For
four days the weather here has been
unusually intense, the heat being un-
tempered by a breeze. Saturday the

day, however, while the mercury
reached the same point, intermittent
breezes were some slight comfort to
humanity.

No Berea Sand Found.

The drill in the South Fork Oil Co.'s
Lee creek well reached the depth
where the Berea sand ought to have
been—1970 feet—at 2 p. m. today, but
no sand was found. The drillers were
ordered to drill 100 feet further, when,
if no sand is found, drilling will be
stopped and the well abandoned.—

She is Coming.

Lawrence, Kas. Exchange.

There will arrive on tomorrow morn-
ing over the Union Pacific, one of the
most distinguished persons in her line
of business Lawrence has ever had in
its boundaries. The one in person is
Madame Adona, the clairvoyant who
has mystified the entire world with her
strange power.

"This wonderful woman belongs to a
race of people who inherit it and cul-
tivate it from infancy up. The appear-
ance of the lady with her snow white
hair and pink eyes convinces the most
skeptical that she is possessed with more
knowledge than any other nationality
on earth. She has been consulted by
all the crowned heads of Europe,
France, England, South and Central
America, and has proven herself to be
mystery of mysteries.

She will remain in Lawrence until
Saturday night, May 30th. Her parlors
will be at 830 Massachusetts street be-
tween Henry and Warren streets.

Madame Adona, the great Clairvoyant,
arrived in the city this morning. She
is said to be a wonder of modern times.
She remains till Saturday night. Go
and see her everybody. See large
notice on 4th page.

For any of those unexpected emer-
gencies common to children in the sum-
mer, Dr. Fowler's Ext. of Wild Straw-
berry is an unfailing cure. It is nature's
specific for summer complaint in all its
forms.

"I was completely covered with sores.
Every muscle in my body ached. Had
been sick for five years. Doctors could
do me no good. Most of my time was
spent in bed; was a complete wreck.
Burdock Blood Bitters have completely
cured me in three months." Mrs. An-
nie Zoepfen, Crookstown, Minn.

If your dealer tells you something
else is "just as good" as Doan's Oint-
ment for Hives, Pin Worms, Itching
Piles, or other itches of the skin, tell
him you want the original. It is safe;
